HAER No. MT-67

Photographs MT-67-1 through MT-67-54 were previously transmitted to the Library of Congress. This photographic documentation pertains only to a section of road affected by a 1987 road reconstruction project.

Negatives are 4x5" for MT-67-68 and MT-67-69; all other negatives are 2½x2½".

James McDonald, Photographer, July 1987

- MT-67-55      View looking west toward valley and Heaven's Peak
- MT-67-56      View from failure area on Going-to-the-Sun Road looking south toward Mt. Reynolds
- MT-67-57      Looking west from Triple Arches toward Glacier Wall and Heaven's Peak
- MT-67-58      Going-to-the-Sun Road looking east toward Triple Arches with easternmost arch visible just left of center
- MT-67-59      View from atop wall just west of cement wall area, showing Triple Arches to the east with easternmost arch right of center
- MT-67-60      View from road west of failure area, looking east toward Triple Arches
- MT-67-61      Looking west beyond failure area from road curve, with faint mountain vista in background
- MT-67-62      Looking west beyond failure area, with cement wall visible about 60' west of area in photo MT-67-61
- MT-67-63      Looking east approximately 240 degrees on the Going-to-the-Sun Road toward Triple Arches
- MT-67-64      Looking east toward area west of failure where cement wall is visible
- MT-67-65      Closeup of area just east of cement wall, view to west

- MT-67-66      Looking northwest 340 degrees on the Going-to-the-Sun Road,  
                 showing failure area in the center of photograph
- MT-67-67      Wide northeast view of area just west of Waterfall Arch along most  
                 of the stone wall area prior to cement wall
- MT-67-68      Looking east on the Going-to-the-Sun Road, with failure area just  
                 left of center
- MT-67-69      Looking east on the Going-to-the-Sun Road, with failure area just  
                 below center of photograph
- MT-67-70      View east from Going-to-the-Sun Road failure area, with Triple  
                 Arches visible in the distance
- MT-67-71      Section of rock guardrail (not original) to be removed during  
                 construction
- MT-67-72      View from Going-to-the-Sun Road showing guardrail at failure area,  
                 looking east toward Triple Arches
- MT-67-73      Closeup of stone wall just east of failure area, looking north
- MT-67-74      Closeup of stone wall just east of failure area, looking north
- MT-67-75      Closeup of stone wall just west of failure area, looking west
- MT-67-76      Closeup just west of MT-67-75, looking west
- MT-67-77      Closeup of stone wall at failure area, looking north
- MT-67-78      View of slope east of failure area with Waterfall Arch visible,  
                 looking north
- MT-67-79      View west toward failure area just west of Triple Arches
- MT-67-80      Looking north from Going-to-the-Sun Road at wooden guardrail area
- MT-67-81      View northeast, looking up at stone wall and wooden guardrail area  
                 west of Triple Arches
- MT-67-82      Looking west up the stone wall and wooden guardrail area west off  
                 Triple Arches
- MT-67-83      Wall area at end of wooden guardrail west of Triple Arches,  
                 looking east
- MT-67-84      View northeast showing stone wall below wooden rails
